

NETWORK NEWS

WELCOME.

Network News is expected to change as the Network grows, to become an easy way to keep members well informed, up to date about techniques, products and anything new coming along.

We welcome your input.

- Members gathered on the weekend to assist in the completion of a project with over 300 sq mts of flooring.
- Too big for one Member but the Network can handle it.
- It is early days for the Network, but it is worth mentioning that one new member is close to recouping their investment and moving into profit, after only two months. Well Done!
